Elterwater LA22 9HS

Elterwater village is situated between Great Langdale and Little Langdale, just 5 miles North West of the popular Lake District town of Ambleside. Elterwater is only 3 miles from Grasmere and 7 miles from Hawkshead.

Jonty's is situated on a small, private unnamed road off Main Street in Elterwater, just 50m from The Britannia Inn in the centre of the village. (See map). Elterwater is only small so you shouldn't get lost but if you are stuck, you can phone our Agent, Wheelwrights on **015394 37635**, or ask a local for help.

Information about how to access the keys is in your welcome email. If you have lots of kit, bikes etc there is a wood store at the rear of Jonty's to store things in.
